

DELMONICO

STEAKHOUSE

Sample List Introduction

The following menu is not a complete or accurate listing of what is on offer in the restaurant. Some sections listed on the Table of Contents have been left off of this example list. While we take pride in the depth of our cellar, it should be noted that most of these wines are available in limited quantity.

The full wine list has selections from 14 countries with approximately 2700 labels and 14 to 15 thousand bottles on hand. All of our wines are stored on-site. We offer top notch service, a depth of vintages and sizes, and fair pricing. In 2004, Delmonico Steakhouse became the 88th restaurant in the world (and the second in our company) to achieve Wine Spectator's Grand Award. We at Delmonico Steakhouse are humbled and honored by this award. This decoration clearly reflects the commitment, dedication, and hard work of the many amazing winegrowers this list contains, as well as the devotion of the entire staff and management.

Vintage, price, and availability are all subject to change without notice.
